

Dokomi 2022-from KFP
with heart

Introduction

As the seasons change once again and our Tenchou had her first appearance in a 3D concert earlier this year, the community wants to send her love for her next concert.

From everyone in KFP, in a world that is increasingly digital, we want to send Takanashi Kiara this book as a tangible present to remember KFP cheering her on.

In commemoration of DoKomi 2022

♥ STREAMKIARASMUSIC ♡

This book is purely fanmade and includes messages, names as well as artwork from volunteering artists.

This is not an official product of, or associated with hololive, Cover Corp. or DoKomi

站上舞台不只是你的夢想，也是我們的願望。希望你能知道，有的人光是站在舞台上就能讓別人獲得勇氣，對我們來說，那個人就是你。

Standing on the stage is not only your dream but also our wish. I hope you can understand that a person can give others courage by simply standing on the stage, and to us, you are the one.
